Case No. 4:19-CV-02394-YGR

**STIPULATION AND [PROPOSED]  
ORDER TO RESCHEDULE FURTHER  
CASE MANAGEMENT  
CONFERENCE**

25 The parties to the above-captioned matter, through their attorneys of record, hereby  
26 stipulate to and request the court's approval of a postponement of the Further Case Management  
27 Conference currently scheduled for April 6, 2020. Good cause exists for the requested  
28 postponement, as follows:

1. The parties have reached a conditional settlement of this matter and the related action filed in the Superior Court of California, County of Contra Costa;
2. The conditional settlement requires approval by the West Contra Costa Unified School District (hereinafter WCCUSD) Board of Education and by the joint powers agency of which it is a member, Northern California ReLiEF.
3. The WCCUSD Board of Education canceled its March 18, 2020 meeting, at which this settlement was scheduled for consideration, owing to the Covid-19 outbreak and the County/State shelter-in-place orders. No new date for that meeting has yet been scheduled.
4. The Northern California ReLiEF Board is scheduled to meet and consider this settlement on May 1, assuming the Covid-19 outbreak does not necessitate a postponement of that meeting.
5. Additionally, as plaintiff is an incompetent adult, the settlement requires court approvals. The parties are prepared to stipulate to have Magistrate Judge Beeler take jurisdiction of the matter for purposes of the settlement approval process. The parties are also meeting and conferring about the most efficient way to secure court approvals in state and federal court, including consideration of removal of the state action to federal court such that only one settlement approval petition will be required.

The parties hereby request that the court postpone the Further Case Management Conference presently scheduled for April 6 to a date 120 days thereafter. The parties are optimistic that said amount of time will permit all approvals to be obtained and the settlement finalized. Once finalized, the above-captioned matter will be dismissed with prejudice.
